3. Click “Fundraise for this” button on the bottom right.

The screenshot shows the giving.sg website interface. At the top, there is a navigation bar with the logo 'giving.sg' and links for 'About', 'FAQ', 'APIs', and 'Contact us'. Below this is a secondary navigation bar with 'Donate', 'Volunteer', 'Fundraise', 'Our organisations', and 'Stories'. A breadcrumb trail indicates the current location: 'Home > Donate > Caregivers Alliance Limited'. A notification banner states: 'You are logged in as a NPO user. Please log in to a giver account to donate.' The main campaign title is 'Engage in green exercise, show your love for mental health caregivers', with a 'Tax-deductible' tag. The current amount raised is '\$3,060' out of a goal of '\$250,000'. There are '3 donors' and '57 days to go'. A large image shows a group of people walking on a path with the text: 'Your support helps us equip Caregivers with knowledge and coping strategies to ease their caregiving journey'. At the bottom right, there are two buttons: 'Donate now' (in red) and 'Fundraise for this' (in white with a red border, circled in red).
